Executive summary of report on factual findings in connection with the inventory count of silver, gold and platinum bars and coins listed in the parcel ownership list as at 31 December 2018 provided by The Safe House SG Pte Ltd

Dear Sirs:

We are pleased to present you with the executive summary of the report on factual findings in connection with the inventory count of silver, gold and platinum bars and coins listed in the Parcel Ownership List as at 31 December 2018 provided by The Safe House SG Pte Ltd ("the Schedule").

Our report on this engagement which is undertaken in accordance with the Singapore Standard on Related Services SSRS 4400 *Engagements to Perform Agreed-Upon Procedures* was issued to the Board of Directors on 22 January 2019.

Executive Summary

Procedures and Results

The procedures were performed solely to assist you in the inventory count of silver, gold and platinum bars and coins stored at The Safe House SG Pte Ltd, 506 Chai Chee Lane #01-01, as listed in the Schedule. The procedures performed are summarised as follows:

1. For a random sample of 30% of the total parcels of gold and platinum bars and coins listed in the Schedule, check that these parcels are stored in a UL Class 2 Lightweight Modular Vault, individually sealed in uniquely identifiable level 4 tamper evident parcel bags and kept in Class II safe deposit boxes locked with unique mechanical key and labelled with unique alphanumeric identifier;
2. For a random sample of 30% of the total parcels of silver bars and coins listed in the Schedule, check that these parcels are stored in a vault equipped with UL Class 1 2.5 tons Gladiator Door and placed in heavy duty pallet wire cages;
3. For a random sample of 30% of the total parcels of silver, gold and platinum bars and coins listed in the Schedule, check that all containers used to keep gold and platinum parcels are numbered and secured with a lock key, and that all containers and cages used to keep silver parcels are sealed with alpha numeric wire seals;
4. For a random sample of 30% of the total parcels of silver, gold and platinum bars and coins listed in the Schedule, trace the Parcel ID of each parcel to the Parcel ID of each individually sealed tamper evident parcel bag of silver, gold and platinum bars and coins kept at the respective safe deposit boxes and cages tags; and
5. For a random sample of 200 parcels listed in the Schedule, weigh each selected sample and check that the weight is not less than the net weight as shown in the Schedule for each selected sample.

We found no exceptions from performing the procedures mentioned in points 1 to 5 above.
