

About Safety PledgedVault

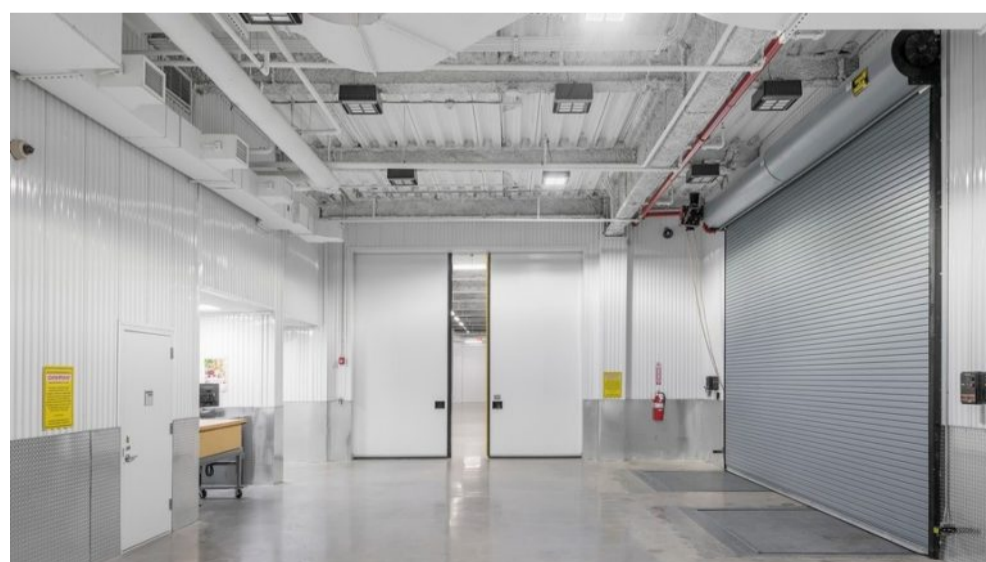

Safety Pledged Vault & Depository offers a range of Safe Deposit Box and Bullion Safe services. Our highly secure facilities are built to the most stringent security standards to ensure the safe storage of the things that matters to you.

Safety Pledged Vault & Depository is independently owned safe deposit box center in Denmark. We provide custodial services to private individuals and businesses, allowing them to safeguard their most valued possessions in a secure state-of-the-art purpose-built vault.

Our facility offers safe deposit lockers in various box sizes to suit all client requirements. The smaller boxes are ideal for the storage of jewelry, cash, valuable coins, and computer back-up discs. The mid-range boxes are designed to keep Gold and valuable documents. The larger boxes are ideal for stamp dealers and to hold larger amounts of valuables, paperwork, and artwork which need to be stored securely.

From small safe deposit boxes for sentimental possessions to large bullion safe solutions for large scale investments, we can offer you complete peace of mind.

We believe that real security challenges require real security solutions by competent professionals. Storage units available range from safety deposit boxes suitable for individuals all the way up to entire dedicated vaults customized to meet the most stringent requirements of banks, global corporations and financial institutions.

Security Is Paramount

Our vaults' security and safety systems have been designed from the ground up incorporating a unique tailored mix of physical surveillance, cutting-edge technology, 24/7 monitored CCTV together with alarm, climate, and fire control systems. Security at each vault is paramount.

Our Responsibilities

Our core responsibility is to safeguard your property. Asset value of properties we keep is very high and this forms the need for total and full safe-keep. We therefore ensure we keep full surveillance on all assets under our protection.
